

THORNAPPLE

COVENANT CHURCH

July 29, 2018 | 10:00am

Vapor

Oh the vapor of it all
It's a chasing of the wind
The substance of the form
so pale and thin
Let the veil of earth be stretched again

Holy, all behold the Holy
Trees clap their hands for You
Oceans they dance for You
You are holy

Heaven taunts the hearts of men
We can feel it from within
The beauty of it all, the mystery
The swelling of a voice, a rising sea

Holy, all behold the Holy
Trees clap their hands for you
Oceans they dance for you
You are holy, infinite and holy

A billion suns rise for You
Clouds paint the skies for You
Mountains stand tall for You
Valleys bow down to You
Everything rising to
Sing all our songs to You

Holy, the impossible and holy
Kings become fools for You
Kingdoms to ruins for You
Vapor finds ground in You
Music finds sound in You
Everything rising, everything rising

Come like dawn, like waves
Like sunlight, bring this world to life
Come like rain, like breath
Like springtime, bring this world to life

The Prayer Team will be under the cross following both services if you would like to pray.

If you are our guest this morning, stop by the Welcome Center and pick up a gift we have for you.

Worship Resources | To help you worship throughout the week, we've prepared Worship Resources available online (thornapple.org/worshipresources) and at the Welcome Center.

Our guest speaker, Dr. Gary Burge, is a New Testament professor at Calvin Theological Seminary and will be leading the Thornapple trip to Israel next year. Today he concludes his three-part sermon series on the Sermon on the Mount.
